Operating throughout Central and Southern England, our services include:

- Individual bespoke houses
- Housing developments
- Commercial & Retail Refurbishments
- Extensions
- Land development
- Maintenance Services
- Primary & Secondary School Refurbishments
- Office Developments

## Enhancing our standards

Champion Build are members of the NHBC (National House-Building Council). The NHBC is the leading warranty and insurance provider and standards setter for UK house-building for new and newly converted homes. As a non-profit distributing company, it reinvests all income in achieving its primary purpose; improving quality in house building to protect homeowners.

## Working within the group

Champion Build is also responsible for the management and delivery of our Champion Homes operations. From foundations & drainage, brickwork & roofs to carpets, kitchens & landscaping - Champion Build carry out the complete construction of the high specification Champion Homes. It means a commitment from the management and the workforce to create buildings that, whilst they may be your homes, are our testament to excellence and our calling card for future success. It means building homes we're proud of.

## Our Team

### Kirsty Champion BSc– Champion Build Commercial Manager

Kirsty joined the Champion Group from college in 2001 as a trainee surveyor and furthered her qualifications here at The Champion Group graduating from University with a BSc Degree in Quantity Surveying. She is also a member of the Construction Skills Certification Scheme and has over 12 years experience in the industry. Kirsty's business acumen and professional approach enhances her responsibility of all aspects of Champion Build works.

### Paul Kent – Champion Build Senior Contracts Manager

Paul is a City & Guilds qualified carpenter and joiner with over 25 years experience in the building industry working on a variety of Listed and new buildings. He joined the Champion Group in 2004 as a site manager and has worked as the Senior Contracts Manager for Champion Build for the last 2 years. Paul holds a Construction Site Managers Safety Certificate and is a member of the Construction Skills Certification Scheme.

Kirsty and Paul lead a team of highly skilled, competent and experienced tradesmen. Our skilled workforce offers a wide range of specialist skills and invaluable experience.
